

MAURICIO MARCANTONIO

LEAD ARCHITECTURAL DESIGNER

+1(778)871-5939

mm@mmarcantonio.io

linkedin.com/in/mmarcantonio

Architect and design leader with over 20 years across Brazil and Canada, the last 13 leading residential design at Evoke International Design – one of Architizer Journal's "30 Best Architecture Firms in Canada." Progressed from Architectural Designer II to Lead Architectural Designer, now directing all four of Evoke's residential design teams. Specialist in project coordination, construction detailing, and client relationships – serving as the office's front-line point of contact through concept, permitting, and construction administration.

CORE EXPERTISE

High-end single-family residential design

Construction details specialist

Concept through construction administration

Team leadership across multi-project portfolios

Project coordination specialist

Client relationship management – office front-end liaison

Codes, permitting & AHJ coordination

BIM, Revit, Vectorworks, ArchiCAD, SketchUp, D5 Render, Lumion, Unreal, Twinmotion, Fusion, Blender

PROFESSIONAL EXPERIENCE

Evoke International Design Inc. – Vancouver, Canada

2013 – Present

Architectural Designer II → III → Senior Architectural Designer → Lead Architectural Designer

- Currently oversee all four residential design teams as Lead Architectural Designer, reporting directly to principal architect David Nicolay – directing design, permitting, and construction administration on Evoke's highest-profile residential work.
- Led design on PGR House (2024 IDIBC Shine Award of Excellence, 2023 IIDA/IN Awards Award of Excellence) and Gilbert Whistler Residence (2019 IDIBC Shine Award of Excellence).
- Served as local architect on Flag House (Whistler, 2013–2020), a seven-year, 1,486 m² residence, collaborating on execution with Brazilian architect Marcio Kogan.
- Led complex construction detailing on Linden House (Vancouver, 2017–2020), the private residence of former NHL Canucks captain Trevor Linden, featured in Western Living Magazine.
- Senior designer and construction manager on Paperny Residence (Vancouver, 2019–2022), a heritage renovation featured across four countries' design press – Architectural Digest Poland, Architectural Digest Italy, Elle Decoration Hungary, and House & Garden South Africa – with him quoted directly.
- Invited by Aritzia senior architect Graham Tkachuk to develop the design concept for the Howe & Robson flagship store (Pacific Centre, Vancouver) after the in-house team hit a design roadblock; concept was well received and is advancing to building permit.

Aedas DBB — São Paulo, Brazil

2011 – 2012

Senior Architect

- Led formation of a proficient design team and implemented delivery standards that raised project outcomes; contributed to a workspace project connected to Procter & Gamble's Boston operations, benefiting the Manaus, Brazil workforce.

Gui Mattos Arquitetura — São Paulo, Brazil

2008 – 2011

Architect & Project Coordinator

- Collaborated on modern, high-end residential design for one of Brazil's top 25 architecture firms; work featured in a dedicated edition of Monolito magazine's Brazilian Best Architects Yearly Edition.

DS2 Arquitetura — São Paulo, Brazil

2005 – 2008

Co-Founder & Principal Architect / Partner

- Co-founded and ran a full-service residential and commercial studio, directing projects from concept through construction supervision and budget; work featured on the cover of Office Style and in Morar (Folha) magazine.

RD2B — São Paulo, Brazil / Zürich, Switzerland

2002 – 2005

Architect (2004–2005) • Trainee (2002–2004)

- Developed the design concept for Piano Forte and the Swiss Consulate in São Paulo.
